SCRIPT

TITLE

created by:

Universität
zu Köln

Below you can see an example of what a script for the introduction for this learning module would look like. When writing a script for your own digital learning module, it is important to include every text, visual, etc. that will be in your final material.

1. Introduction

Page title	**1.1. Welcome**
Type of design	Text/Image from template
On-screen text	The learning module **"Creating Digital Learning Materials"** gives an overview of the criteria of good quality learning materials and the process of creating them.
